

# Pure Haven Essentials Versatility

## Our products are multitaskers!

Our Consultants, Hosts and Customers continue to provide amazing testimonials about the superior quality of Pure Haven Essentials products. But they don't stop there. They've been doing their own research and have found dozens of uses for each of our products. Here, we've compiled a list of additional uses they've discovered for various products. Thanks to all for sharing!

## Skin Essentials

### Eye Cream

Use for:

- Night cream
- Dark circles

## Kid's Body Wash and Shampoo

Use as:

- Hand soap
- Foot soak (add a capful of kid's wash to a basin of warm water, soak feet for 10 minutes, then scrub with the lemon-sugar body scrub and finish off with citrus body butter)
- Bubble bath

**IMPORTANT:** These results are untested and based on individual Independent Consultant and customer experiences. Please always spot test first. Results may vary with each person, home and environment.

# Body Essentials

## Moroccan Argan Oil

Use for:

**Hair:** to smooth, condition and add shine. Also, smooth onto damp hair prior to blow drying and/or heat styling to help protect against damage.

**Skin:** add to moisturizer of choice or use alone to hydrate; will not make skin greasy or clog pores; ideal option for those who want unscented products. Can be used on face and body as moisturizer including cuticles, heels and knees.

**Body:** use on stretch marks, dry patches. Safe for use during pregnancy and postpartum.

**Glow:** add a bit to apples of cheeks for a dewy glow or rub onto legs to add sheen.

## Hands On The Go

Use as/on:

- Deodorant (spritz toner on your underarm and then add some hands on the go)
- Blemish spot treatment
- Bug bites
- Chapped/dry skin relief

## Dream Cream

Helps with:

- Chapped/wind-burned cheeks
- Chapped/dry skin conditions
- Stretch marks
- Sunburns
- Mosquito bites (use with toner)
- Poison ivy (use toner, followed by dream cream)
- Burns
- Hot spots on dogs

# Spa Essentials

## Citrus Body Butter

Use as:

- Foot soak (add a capful of the baby wash to warm water, soak feet for 10 minutes, then scrub with the lemon-sugar body scrub and finish off with the citrus body butter)

Help or relief for:

- Chapped/dry skin relief
- Cuticle cream

**IMPORTANT:** These results are untested and based on individual Independent Consultant and customer experiences. Please always spot test first. Results may vary with each person, home and environment.
